Tilly-Rose

Be careful when you go to The Bailey
Always enjoy The Bailey
Insects might be anywhere - be careful!
Lie on the bright green grass
Enjoy The Bailey
You can look down from there.

Hot days at The Bailey are best
Insects will sing from the leaves
Look at the beautiful things
Look at nature!

Alfie
Bailey Hill is a castle on a hill
Always bring a packed lunch
I'll help you pack the drinks and food
Listen to the water, wind and leaves
You can see so many colours

Hollie the Poet

Be careful whilst having a walk!
Always enjoy yourself.
Insect can be anywhere - careful!
Lie down in the luscious green grass
Eyes are everywhere too, take care with sticks!
You must have fun!

Maizie-Jane the Evil Poet

Be careful when you go to Bailey Hill
Always be careful
I like to go to The Bailey, and

Lie on the summery green grass.
Everyone should enjoy time at The Bailey
You just need to be careful.

Have a picnic at The Bailey!
Insects will be everywhere!
Look at nature
Look at the wildlife

Emily L's Original Idea

Be careful when you are standing on the hill, in case you fall
Always remember to look at all the signs on the walls or trees for important information.
It's very big at The Bailey - make sure you do not get lost
Look at the scenery around you, because it is beautiful
Enter the Bailey because it is amazing
Your shoes may get wet - be sure to wear welly boots

Ollie

Be careful at The Bailey
Always mind your step at Bailey Hill
Insects are crawling everywhere - be careful!
Look around here and there
Explore very carefully
You will have a really good time

Theo

Be ready to enjoy your adventure at The Bailey
Always pay full respect to the scenery around you
In the Bailey, put all your rubbish in the bin
Listen to the birds singing
Every time you visit, prepare to open your mind
You will have a good time.

Mia

Bailey Hill is wonderful
A tree is always a tree
Insects are never scary
Leave the trees alone
Even insects won't hurt you
You can always keep The Bailey safe.

Have a good time with your family
It will always be fun
Little insects are cute
Lying under the trees.

Morgan

Be careful of the things around you
Amazing wildlife is here.
I'll help you pack the picnic.
Let's go on a walk.
Everyone enjoys playing in the park.
Yo! Let's play again.

Hey, want to play in the park?
It is amazing at Bailey Hill, so
Let's go on the Hill - it's cool up there. Then,
Let's go home!

Emily J

Bailey Hill is fun, but don't slip on wet mud
After you get back from The Bailey, wipe your feet
I love Bailey Hill - I hope you do too
Look out for insects, as some might hurt you
Enter The Bailey for an amazing experience
You should come to The Bailey: it is an amazing place.

Osian

Be careful where you walk
And take a lot of care
I was skidding on Bailey Hill
Look around
Even you are special
You need to bring a jacket

Happy days at Bailey Hill
I slide on the slide
Let's be direct
Let's all go up there.
