On Bailey Hill, where all is so scenic and still,
The view is beautiful.
See the sunrise:
Majestic and mysterious, burning and bright.
The brave sun rises every day, and we love to play.

On Bailey Hill it is sunny ... or windy or muddy
I love getting muddy!
I run and play in the playground all day
I always have a picnic

On Bailey Hill I get to the top and look over the side
There are lots of trees, and beautiful insects
I see green trees and green grass.
The grass is as green as glass,
The trees are as green as peas.

On Bailey Hill those pea-green trees are waving in the wind:
Oh, the brave breeze over the muddy ground and the glittering grass,
On Bailey Hill.
On Bailey Hill.
